

WORLD HEALTH DAY

“A healthy body is the guest-chamber of the soul; a sick, its prison.” ~ Francis Bacon. A special assembly was held to celebrate World Health Day on 7 April, 2023. A student of class VI gave a speech to highlight the relevance of “World Health Day”. The theme of the speech was “Our Planet, Our Health.” A pledge was taken by our students in school assembly stage to make minimum use of junk food and focus will be on healthy food.
