

## **AWES RAISING DAY**

“Success is a Journey Not a Destination.”

Army Public School Rakhmuthi celebrated Army Welfare Education Society(AWES) Raising Day on 29 April 2023 with great pomp and show. To mark the occasion, a special assembly was organized in which children were apprised about the paramount educational facilities provided by Army Welfare Education Society. The students were also briefed about the initiatives taken by AWES for its commitment to provide “Quality Education at Affordable Cost.”

The program ended with National Anthem and AWES song. The students and teachers felt proud to be a part of AWES and felt that the journey of AWES has just begun and it's a long way to go because success is a journey not a destination.
